NEWS and COMMENT

New faces and frequent substitutions predominated the Tigers' 17-12 victory over the All-American eleven on Rollins Field yesterday afternoon. With possibly one or two exceptions, none of the men who will start the Kansas game Thanksgiving day played against Johnny Miller's combination of freshmen and ineligible.

All the Varsity scores came in the first half. A pretty thirty-yard pass from Slusher to Bass gave a Tiger touchdown in the first period. In the second quarter Marshall, who has been out of the game all season with a twisted ligament in his leg, celebrated his entrance into the line-up by smashing through the All-American line for a score. Peoples kicked the goal. Later Peoples booted a pretty field goal from the twenty-yard line.

The All-Americans assumed an early lead when Greenwood, right end, took a twenty-yard pass from Cross on the second scrimmage of the game and ran twenty yards for a touchdown. Peterson, former William Jewell star, had placed the ball within scoring distance by returning the kick-off forty yards. The final All-American score came in the last quarter on a twenty-five yard pass from Miller to Wilson, who sprinted twenty-five yards.

Johnny Miller gave the fans a few thrills in the last half of the game by making several dodging runs. Peterson showed speed in carrying the ball, although he was in poor condition. Wilson, a former Central College star, circled the Tiger ends for good gains.

The line-up:

Westminster and Central
To Play At Fayette.

With the Missouri-Kansas football game to be played in Lawrence this year, the biggest game in Missouri will be the annual Thanksgiving game between Westminster and Central colleges. The Central management is preparing for the largest crowd that has ever witnessed a game at Fayette. Many additional seats are being built, and special trains will be run to accommodate the large crowds. Comparative scores and percentages favor neither team. Each has won half of the games it has played. These colleges have had their annual game every year since 1898, and it means to them, what the Tiger-Jayhawk battle means to Missouri students.

Kewpies Lose Final Game
To Kirksville High, 12-0.

A line plunge and an intercepted forward pass gave the Kirksville High School football team a 12-0 victory over the Columbia High eleven at Kirksville yesterday in the last game on the local schedule. The scores came in the first and third quarters.

The Kirksville eleven, which is

claiming the high school championship of the state, was given a scare in the last period when the Kewpies began a series of forward passes which placed the ball within striking distance of the Kirksville goal. Time was called before the delayed march proved effective.

The local team was weakened when Rutledge, left half, was removed from the line-up in the first quarter with a broken nose. The Kirksville eleven outweighed the Kewpies.

Homeburg Will See
Hamilton in Action.

Every man, woman, child and dog in Harrisonville, Mo., probably will be on hand to see the Tiger-Jayhawk battle Thursday, for Harrisonville is the home of Paul Hamilton and according to reports from there special cars have been chartered by the citizens to carry almost the entire population to Kansas City and then to Lawrence to cheer for their representative on the Tigers. According to the plans now being made the town will be as deserted next Thursday as a French village after the Germans have started shelling it.

Farmers' Team Challenges
the Varsity Engineers.

The imperial air assumed by the Engineers after humbling the Lawyers in a gridiron burlesque last Tuesday afternoon has aroused a spirit of combativeness among the Farmers. An "Ag" team has been formed, and its backers look for an overwhelming victory in case their outflung gauntlet is taken up by the Engineers. The Farmers, boastfully confident, challenge any team under any conditions. Oh no, they are not a bit proud!

K. U. Freshmen, Using Tiger
Plays, Beat Varsity.

The University of Kansas freshman team made three touchdowns on the varsity Thursday afternoon by using Missouri formations. At the same time, the freshmen held the older men to a lone score. According to the Daily Kansan, "the varsity line seemed to be completely puzzled by the Missouri formations and the secondary defense had to stop nearly every play. The freshmen took the ball on the kickoff and marched steadily down the field for a score."

Better Highways Bulletin Out.

The University Extension Division has issued a bulletin on better highways by E. J. McCaustland, dean of the School of Engineering. The bulletin discusses the economic type of highway improvement, building highway consistent with the financial condition of the communities, money value of adopting a definite system of road building, cost of highways by the bonding system, use of certain state funds for road-building according to a definite plan and some points gathered from government reports.

FRATERNITY INTO NEW HOUSE

Members of Phi Kappa Psi Now Occupy Their \$20,000 Home.

The Missouri Alpha chapter of Phi Kappa Psi moved into its new house at the northeast corner of Providence road and Burnham street yesterday. The chapter house is just being completed at a cost of \$20,000. The Phi Psi members have been occupying a house at 509 Rollins street while their new home was being constructed.

The house contains on the first floor a large reception room, sun-parlor, dining room, kitchen and cloak rooms. The second and third floors are divided into twelve bedrooms and are equipped with tub and shower baths. The heating arrangement consists of both hot water and steam pipes, which can be used interchangeably or at the same time.

The chapter has a membership of twenty-six, most of whom will live in the new house.

DUNCHEL WRITES TIGER SONG

Former Football Star Submits Words and Music for Missouri.

Bill Duncel, former Tiger fullback and now coach at Kemper Military Academy, Boonville, has composed a Missouri song that ranks with the best. Duncel wrote both the music and the words. He sent Coach Schulte a copy of the song and the Tiger players who have tried out their voices on it say the words are good and the music better. Here are the words:

Cheer for, Oh, cheer for Missouri,
Come on, men, Missouri must win,
Crash through that line of old Kansas,
Fight them, let's never give in,
You're fighting for, you're fighting for
Missouri,
We'll show all the Jayhawkers how
The dear Old Gold and Black,
Can go forward, but not back,
Cheer for Missouri.
